

COVID-19 WORK IN TRADES CONTINUATION PERMISSION FORM

In light of the changing nature of our current workplaces and the potential risk that students could be facing due to Covid-19 exposure during their Work in Trades placements, we have been asked to ensure that parental/guardian permission still exist for the student's placement.

Two important reminders:

1. Workers in B.C. have the right to refuse work if they believe it presents an undue hazard.
2. WorkSafeBC is advising employers and workers to follow the recommended personal hygiene practices like frequent hand washing, avoiding touching your face, and avoiding direct contact with others.

Student's School

Career Coordinator

Contact with Parent made (DATE) _____

Name of Student _____

Name of Parent/Legal Guardian _____

Follow up contact # (if required) _____

Location of the Work in Trades _____

Consent given: by phone or text or email

Yes, the parent/guardian has consented to allowing the student to continue with the Work in Trades and Work Experience programs.

No, the parent/guardian DOES NOT consent to allowing the student to continue with the Work in Trades and Work Experience programs.

Notes:
